Office Action Summary

Art Unit: 1765

1. Claims 1-13 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

The expression, "predetermined", as recited in these claims renders the same indefinite since it is not clear what such may include. Clarification is requested. The expression could be canceled to clarify the claims.

2. Chu et al., O et al. and Burns et al. have been cited to further show the state of the art.

3. No claim is allowed.

Any inquiry concerning this communication should be directed to William Powell at telephone number (703) 308-1975.
